## BIG PEOPLE ON SIBERIA

Little Old Galilee In Typhoon Out Orient Way

Among the passengers for Honolulu aboard the Siberia, which arrived from the Orient this morning are M. Salto, Japanese Consul General to Honolulu, and T. Treadway, returning after having toured Japan.

Among San Francisco passengers are the Hon. Sidney Medwin, Mrs. Medwin and Sidney Medwin Jr. The Hon. Sidney Medwin is owner of Christmas Island and President of The Christmas Island Phosphate Co. Baron H. Gravestein van Hoyt, of the Hague, is touring the world and is a member of the Medwin party.

D. E. Fox, Deputy Collector of Port at Manila, is returning to the States on a visit. B. Guggenheim, representing The Japan Import and Export Commission Co., is returning to New York after a visit to the Orient in the interests of his company. Nine Filipino students, bound for Washington to attend college, are in charge of H. C. Cunningham.

The following officers of the S. S. Coptic are on board, en route to Liverpool, England: Capt. Finch, R. Lobez, J. Richardson, O. Orchard, C. R. Tyson, A. M. Arm, F. N. Pelton and P. K. Sewall.

Owing to a typhoon racing while the Siberia was at Yokohama the steamer was delayed one day. Considerable damage was done to the ship in the harbor; the brig Galilee, which is well known here, was washed on the breakwater, where she remained for 12 hours, after which she was towed to the flats to be repaired. The extent of damage done the brig had not been ascertained before the Siberia left port. The brig had a party of scientists on board.

## WAILUKU HOME RULERS TRY TO SETTLE TROUBLE

(Special to the Bulletin) Wailuku, Maui, Sept. 1.—In an attempt to patch up factional differences, both W. H. Cornwell and Peruvia Goodness, the regular nominees of the Home Rule party for Supervisor and Deputy Sheriff for the district of Wailuku, have withdrawn from the party ticket, leaving Thos. Clark alone in his glory as a ticket-breaker and district boss. He has a clear field to try to land the elusive nomination for district Deputy Sheriff.

For the present Wailuku Home Rulers are at sea and do not seem to be able to decide on any one to run for Supervisor, and there are hints that they may yet renounce Cornwell and possibly Goodness, and put Thos. Clark on the legislative ticket. P. Cockett and T. B. Lyons are mentioned as possible nominees for District Supervisor, but so far neither gentleman has shown any willingness to become victims of factional strife.

## TO KILL THE DANDRUFF GERM.

Is the Only Possible Way of Having An Effective Cure. If you see a woman or a man with luxuriant glossy hair, you may be sure neither has dandruff to amount to anything. In nearly every case where women and men have this brittle hair, they owe it to dandruff. There are hundreds of preparations that "claim" to cure dandruff, but not one but Newbro's Herpicide tells you that dandruff is the result of a germ burrowing into the scalp, and that permanent cure of dandruff and its consequent falling and baldness, can only be had by killing the germ; and there is no other preparation that will destroy that germ but Newbro's Herpicide. "Destroy the cause, and you remove the effect." Sold by leading druggists. Send 10c. in stamps for sample to The Herpicide Co., Detroit, Mich. Holnter Drug Co., special agents.

## ALL LADIES HELP

(Special to the Bulletin)

Wailuku, Maui, Sept. 1.—The concert and fair to be given by the Catholic Ladies' Aid Society at the Wailuku court house next Saturday, September 8th, for the purpose of raising a fund for erecting a suitable cottage for the Brothers of St. Anthony's School, Wailuku, is an assured success. Not only the ladies of the Catholic Church are working hard to make the affair a success, but ladies of other denominations have volunteered to help their sisters in this most worthy cause. Fanaticism is only practiced in countries where ignorance reigns supreme, but Maui, and especially Wailuku, favors higher education and will do all in her power to promote the same, no matter whether it is a Protestant or a Roman Catholic institution that advocates it.

## Tender Meats

maketh the stomach joyful. But it is often a problem to find the right place to get what is really tender. The frugal housewife gets her meats here, while the one who thinks she can save a sixpence by getting them in another place often spends a shilling in other expenses. Then you must count the cost of the energy in making the meat tender with a hammer.
